Subject: Transmittal of the Fully Executed Agreement in Principle (Agreement) for the Transfer of Keno Facility (Facility) From PacifiCorp to the Bureau of Reclamation on Behalf of the Department of the Interior

Dear Mr. Brockbank:

Enclosed is a fully executed Agreement relating to the transfer of the Facility from PacifiCorp to the Department as consistent with Section 7.5 of the Klamath Hydroelectric Settlement Agreement (KHSa).

It is recognized that through this Agreement that it is PacifiCorp's desire to transfer to the Department, and the Department to accept from PacifiCorp, the Facility; that the elements in this Agreement are acceptable to both PacifiCorp and the Department; and that these principles will serve as a framework for the development of the final transfer agreement.

As the KHSa requires timely development of a final agreement using the principles outlined in this Agreement, we look forward to continued good-faith negotiations with PacifiCorp for the purpose of developing acceptable terms of transfer for the Facility and the ultimate execution of a final transfer agreement prior to the Secretarial Determination.

Sincerely,

PABLO R. ARROYAVE
